RE: RDB-11-0570, Sentenced to
18 months on May 19, 2021

subJ: FBOp said they did not receive
Court's Judgment and Commitment

Dear clerk:

Please verify that the court transmitted
the Judgment and commitment
records to the Federal Bureau of Prisons.

Whereas, as of June 5, 2021, the FBOp

2 of 2

said (via email) that they had not received the Court's Judgment in this case, which is delaying my transportation to FBOP custody, and therefore, my release from FBOP custody:

on May 19, 2021, I was sentenced to eighteen (18) months, with credit for detention beginning on August 5, 2020 (10 months served), and 3 additional months deducted for provisional 85% [good conduct time], which leaves 5 months for re-entry halfway house or home monitoring, rendering my eligibility for immediate release upon my admission into the FBOP.

Conversely, pursuant to 18 USC 3585(b) the FBOP maintain the independent authority to credit my detention from the date of my March 31, 2020 arrest by Baltimore City police, which would complete service for my entire sentence, and save my job with American Communication Network, Inc. (Donald Vaughn)

P.S.

Based on the aforementioned sentencing
and computation, rendering my immi-
nent release, I beg the Court to
assume responsibility for the admini-
strative error, remand and release
me.
